

Solent Maths Hub SKTM Programmes 2025/26:

Primary Offer

SKTM Early Years

This programme is for any teachers who would like to develop their specialist knowledge for teaching maths to Reception pupils. It may be particularly relevant for teachers who have moved phases or have not received maths-specific training. It would also be relevant for Maths Leads who would like to further develop their understanding of Early Years.

This programme will consist of 4 face-to-face sessions on the following dates:

- Tuesday 13th January 2026
- Tuesday 3rd March 2026
- Tuesday 14th April 2026
- Tuesday 19th May 2026

All sessions will be running from 9am to 4pm and will be held at the **HISP Learning Partnership Hub, Tanners Brook Primary School, Elmes Drive, Millbrook, Southampton, SP15 4JQ.**

SKTM Teachers

This programme is designed to support primary teachers in developing specialist knowledge for teaching mathematics, enabling them to understand, teach and support pupils in maths in the classroom. It will be particularly relevant for teachers that have moved phases or teachers that have not received maths-specific training. Teachers will enhance their mathematics subject knowledge with an emphasis on the key structures in each mathematical area covered

The programme will consist of 4 face-to-face sessions on the following dates:

- Wednesday 21st January 2026
- Wednesday 11th March 2026
- Wednesday 6th May 2026
- Wednesday 10th June 2026

All sessions will be running from 9.30am to 3.30pm and will be held at the **HISP Learning Partnership Hub, Tanners Brook Primary School, Elmes Drive, Millbrook, Southampton, SP15 4JQ.**

SKTM Teaching Assistants

The purpose of this project is to support primary teaching assistants (TAs) in developing specialist knowledge for teaching mathematics, enabling them to understand, teach and support pupils in the maths classroom. These programmes are designed for primary teaching assistants who are supporting maths, and who would like to develop their specialist knowledge for teaching maths. This may be particularly relevant for new TAs or TAs that have not received maths-specific training.

This group will consist of 4 face-to-face sessions on the following dates:

- Wednesday 14th January 2026
- Wednesday 18th March 2026
- Wednesday 20th May 2026
- Wednesday 17th June 2026

All sessions will be running from 9am to 4pm and will be held at the **HISP Learning Partnership Hub, Tanners Brook Primary School, Elmes Drive, Millbrook, Southampton, SP15 4JQ.**

SKTM Primary ECTs

This programme is designed to support Early Career Teachers in their **second or third year** of teaching in developing specialist knowledge for teaching mathematics, thus enabling them to understand, teach and support pupils in maths in the classroom. There is opportunity for structured conversations to unpick the maths, the pedagogy modelled within sessions, misconceptions that pupils have, and how the approaches can be transferred to the participants' classrooms. Between sessions, participants contribute to their online community, complete school-based tasks, and share their reflections through discussions with peers (including their mentor).

This community will consist of 4 face-to-face sessions on the following dates:

- Wednesday 28th January 2026
- Wednesday 25th March 2026
- Wednesday 22nd April 2026
- Wednesday 17th June 2026

All sessions will be running from 9.15am to 3pm and will be held at the **HISP Learning Partnership Hub, Tanners Brook Primary School, Elmes Drive, Millbrook, Southampton, SP15 4JQ.**

Secondary and Post-16 Offer

SKTM Secondary ECTs

This one-year programme supports early career secondary teachers to develop their specialist knowledge for teaching maths, underpinned by the principles of teaching for mastery.

Participants attend the equivalent of four days of professional development across the year, working collaboratively on maths tasks and exploring pedagogy, lesson design and misconceptions. They also complete school-based tasks, contribute to an online community, and reflect with peers and mentors.

This programme will consist of 4 face-to-face sessions on the following dates:

- Friday 16th January 2026
- Friday 6th March 2026
- Tuesday 21st April 2026
- Friday 19th June 2026

All sessions will be running from 9am to 4pm and will be held at the **HISP Learning Partnership Hub, Tanners Brook Primary School, Elmes Drive, Millbrook, Southampton, SP15 4JQ.**

SKTM Core Maths

This programme is for teachers who are in the first two years of teaching Core Maths and are teaching a Core Maths class during the academic year 2025/26.

Teachers need to be given time and support to try out ideas in their own classroom during the programme and encouraged to reflect on developing and deepening their classroom practice.

Teachers are expected to attend all programme sessions (the equivalent of three days), explore and engage with the bespoke resources of the programme, and to implement practice-based activities in between sessions to enable reflection on the pedagogical approaches they are trialling.

This programme will consist of 6 **online** sessions running from 2pm to 4.30pm on the following dates:

- Thursday 8th January 2026
- Tuesday 3rd February 2026
- Wednesday 4th March 2026
- Thursday 16th April 2026
- Wednesday 6th May 2026
- Tuesday 16th June 2026

Developing A Level Pedagogy

The project, developed and provided in partnership with the AMSP, will explore aspects of A level Maths, giving teachers knowledge of pedagogic theory that has a direct impact in the classroom. The content will be flexible to meet the needs of participants but will be linked to the Overarching Themes of the A level qualification: problem-solving and mathematical thinking: mathematical modelling and representations; proof, reasoning and mathematical communication.

You and your department will have a better understanding of how ideas behind teaching for mastery can be used in the classroom.

This programme will consist of 3 **online** sessions running from 9.30am to 3pm on the following dates:

- Wednesday 28th January 2026
- Thursday 26th February 2026
- Thursday 30th April 2026
